NIEMEYER
IRISH BLEND
PIPE TOBACCO
ESTABLISHED IN 1819
Made by ROYAL FACTORIES THEODORUS NIEMEYER LTD. Holland
There are three different ROYAL NIEMEYER blends:
Danish: a full bodied smoke, sweet and satisfying. The blend is based on handpicked sundrenched Virginia leaves enhanced by aromatic tropical and oriental tobaccos.
Irish: this is a light and gay smoke composed of the thin over-ripe lowest leaves of the best Burley and Virginia crops. Specially selected Turkish and Java tobaccos balance this blend to an unprecedented perfection.
Scottish: a straightforward medium-strength tobacco. Fully ripe South Carolina and Georgia leaves are mixed with mild Brazil and African tobaccos. An extract of heather gives the carefully balanced blend a very special character. A smoke that never tires and will always give full satisfaction.
